

**2014 – CLEAN BURN MAINTENANCE PROGRAM**

PetroChoice is your Clean Burn Master Distributor and Service Center! Our technicians are trained professionals with extensive knowledge in used oil heating applications.

We carry a full parts inventory to maintain your Clean Burn equipment. It is recommended you clean your burner every 700 to 1,000 hours of operation. Save money and order yours today!

<u>ORDER YOURS BY</u>	<u>CLEANING COST</u>
APRIL – JUNE	\$525.00
JULY – AUGUST	\$595.00
SEPTEMBER - MARCH	\$85.00 PER HOUR, OUR NORMAL RATE

**Burner Service Kit parts included:** Contains appropriately sized nozzle, electrode, oil and air regulator kits, solenoid plungers, one oil pump head gasket. Any other parts that must be replaced will be billed in addition.

- Equipment must be located within 50 miles of our closest service center.
- Program does not include discontinued products. Upgrades are available.
- Unit must have been cleaned by us in 2013 or not have run more than 1500 hours since last service.
- Additional travel or onsite labor will be billed at a lower rate of 65.00 per hour. Our normal labor rate is 85.00 per hour.
- Must have enough oil to fire the equipment at time of service.
- If a man lift is required to reach the furnace, an equipment rental fee may be charged.

**2014 Summer Maintenance Program to include the following services::**

1. Vacuum ashes from combustion chamber and flue tubes.
2. Vacuum chimney at breach, clean and adjust barometric damper for proper draft.
3. Inspect burner for worn or weak components and upgrades.
4. Replace the burner pre-heater block with **ultrasonically** cleaned block plus service kit.
5. Clean filters in the tank, pump and canister assembly. Additional tanks and filters are an extra charge.
6. NJ customers may choose to pay an additional \$35.00 per unit for emissions test for NJDEP reporting.
7. Free telephone technical support if you should ever need it.
